# MISSION

**A VOICE FOR  
ARTISTS,  
CREATIVES &  
ENTREPRENEURS**

**Simply Vibes Radio is a global internet station created for the community to empower, inspire and educate through diverse music, dynamic programs and powerful thought leaders. Giving a voice to independent artists, creatives and entrepreneurs; Simply Vibes Radio is home to confident, resilient and driven individuals, with purpose, passion and persistence. Our content includes DJ'S, podcasters, experts and community leaders, with a common interest to create change through the power of music and education. Simply Vibes is simply a vibe spinning the best of Hip-Hop, R&B, Reggae, Soca, Latin & Caribbean, Bollywood and more.**

## ***Founder, Author, Radio Personality, Event Producer & Parkinsons Warrior***

Jennifer Maharajh is the CEO/Founder of Simply Healthy Global Media, a global movement and platform that empowers and educates the community about resilience, mindset, healthy living and more. After being diagnosed with Parkinson's Disease as a young age, Jennifer was determined to change the outcome of her story and has become a published author, Radio personality, former host & DJ at FUNKnation Radio, Global Summit Producer and Health and Beauty Entrepreneur. She is the creator of the annual global healing motivational summit gathering dynamic voices to uplift and empower through their stories of tragedy to triumph. Jennifer uses her platform to build community, create global change and promote a healthy life and always make the impossible POSSIBLE!!
